Executive Director – Engineering Oversight

At Sound Transit, our mission is to connect people to more places, improving life for everyone. We are committed to providing reliable service and a positive rider experience for the millions who rely on us. Our focus is on enhancing passenger satisfaction, accessibility, and safety across all Link light rail, Sounder Train, Tacoma Link, and ST Express buses.

We are seeking an innovative Executive Director - Engineering Oversight, to lead our engineering teams in a collaborative and politically complex environment. Serving as the chief engineer, you will manage programs in infrastructure, systems engineering, and technical standards while ensuring alignment with Sound Transit's broader goals. You will operate as a strategic advisor to the Executive Director and represent the agency on key technical and design issues.

In this role, you will work with internal and external leaders, including consultants, contractors, and partner agencies, to effectively communicate complex technical matters, while utilizing your strong leadership and decision-making skills.

The Executive Director - Engineering Oversight will provide leadership and guidance on the most complex, multi-disciplinary, and technical challenges. In this role, you will play a key part in ensuring that equity is embedded within our systems, processes, and policies, driving positive, meaningful change for both our employees and the communities we serve.

Our mission and vision – your future.

Our mission of “Connecting more people to more places to make life better and create equitable opportunities for all” is what drives us forward every day. And our vision of “transforming the Central Puget Sound by making our transit service as iconic as the Space Needle and Mount Rainier,” is how we’ll get us there. If you’re looking to make an impact and help shape the future of transportation, help us make history. We are a group of passionate, collaborative, fun individuals who are all working together to reach that goal.

Our commitment to anti-racism.

Sound Transit proactively works toward becoming an anti-racist agency where equity and racial justice are central to all that we do; resulting in a transit system that is free of racism and where the full inclusion of Black, Indigenous and other people of color is achieved so that everyone can thrive. We are committed to the long-term investment of time, money, people and other resources needed to fully realize an equitable and anti-racist future.

Our people make us great.

Our most valuable asset isn't the systems we build or the vehicles we operate. It's our people. They are the heartbeat of our company, and we're proud to say we have some of the best and the brightest. Diversity and inclusion are at the heart of everything we do. Our employee-led groups recognize and celebrate the diverse cultures that make up our agency. They are where we can share our experiences, celebrate our heritage and backgrounds and lift each other up to succeed. We are united by our mission, driven by our values, and committed to growing and sustaining a diverse workforce, inclusive culture, and equitable work environment.

Our Services.

Just like our region, Sound Transit is in a period of growth and expansion. As our capital program continues, we'll be able to connect more people to more places with Link light rail, Sounder commuter rail, ST Express buses and soon, Stride bus rapid transit. Our voter-approved plan includes 116 miles of light rail track and 80 stations. The network will extend in all directions to form a transit spine for the Puget Sound.

Our promise to you.

So what's in it for you? Glad you asked. If you're looking for a career where you can truly make a difference and make your mark in history, we'd love to meet with you. Together, we can transform our region and work on the largest system expansion effort in the country.

We can also promise that you will be hard-pressed to find a company with a better work/life balance. Speaking of which, you'll find that living in the Pacific Northwest is pretty amazing. You can be at the ocean and rain forest in just hours, find great hiking trails and world-class skiing just a short drive away. If you're a foodie, open wide and say ahh... You'll find an eclectic range of cuisines that will make your taste buds do the happy dance.

- **Parental Leave:** 12 weeks of parental leave for new parents.
- **ORCA Card:** All full-time employees will receive an ORCA card at no cost.
- **Tuition Reimbursement:** Sound Transit will pay up to \$5,000 annually for approved tuition expenses.
- **Compensation Practices:** We offer competitive salaries based on market rates and internal equity. In addition to compensation and benefits, you'll find that we provide work-life balance, opportunities for professional development and recognition from your colleagues.
- Hybrid work environment.
- Virtual fitness programs and an on-site gym.
- Free annual flu shots.
- One-on-one retirement counseling.
- Pet insurance.

Our values are the principles that guide us.

Collaboration: *We share each other's successes and challenges, and invite involvement of all toward achievement of common goals. We are one agency, no single department defines our business.*

Passenger focus: *We always start with our customers' needs and work back from there. They are the focus of everything we do.*

Inclusion & Respect: *We foster a culture where everyone is treated fairly and where diverse perspectives are welcomed and every voice is heard.*

Safety: *We ensure the safest transit trip and work environment for every rider, employee and contractor, each and every day.*

Integrity: *We build trust by keeping commitments and taking ownership—demonstrating honesty, accountability and transparency throughout.*

Quality: *As stewards of public resources, we do our best work every single day and take great pride in the efficient, sustainable and equitable delivery of our services and projects.*

More about us.

Sound Transit headquarters are in historic Union Station in downtown Seattle, in the heart of the International District/Chinatown and Pioneer Square neighborhoods. We're within walking distance from the sports stadiums, King Street Station and the waterfront.
